Performance with Lean Six Sigma

Lean Connection

1QTR, 2009

Whats New?

We proudly welcome the following new clients:

 **ABB** is a technology-based provider of power and automation products, systems, solutions.

Husqvarna is the global leader in outdoor power products and cutting equipment.

Invacare Corporation is the world's leading manufacturer of wheelchairs, bariatric equipment, disability scooters, and respiratory products.

Rucker & Associates announces partnership with [ISH, Inc.](#) to apply lean processes to the healthcare industry. ISH is a leading provider of business improvement solutions and IT implementations to healthcare providers since 1989.

Best Practices

Kaizen Point Lessons

Many of you subscribe to our weekly [Kaizen Point Lesson](#). We have now placed all back editions on our website for your viewing pleasure. Enjoy!

Have you Read?

You may be interested to read how Toyota handles the slowing economy in [Toyota Keeps Idled Workers Busy Honing Their Skills](#).

Translation Service

While working in Mexico this year, we developed Spanish editions of our training materials, which are available. We also recommend Prof. Luis Barragán, President of Scean sceani@prodigy.net.mx, who provides excellent interpretation services for us.
